Lock Back Dome Lid

LOCK BACK DOME LID

International Paper is pleased to announce a new hot cup lid that meets the growing trend of beverages on-the-go. Our new lock-back dome lids come with the tab closed to ensure your beverage stays inside the cup and not on you. The lids are easily opened with one hand and stays securely locked back while you enjoy your beverage. The lock-back dome lid was designed to improve customer satisfaction for consumers on-the-go.

Because coffee just doesn't look good on you

Locks back securely and out of the way
